WEBINAR

The NanoBio4Can Webinar Series Continues with Forth Webinar on June 30

As part of the NanoBio4Can Program, a session of the "NanoBio4Can Monthly Webinar Series," in which postdoctoral researchers shared information about their scientific work, took place on Tuesday, June 30, 2026. Organized as part of the dissemination and communication activities under the MSCA COFUND Grant Agreement, these webinars will provide researchers with the opportunity to share their research with both colleagues and researchers interested in the topic.

EVENT

NanoBio4Can Team Participated in SCIENCE4ALL

NanoBio4Can postdoctoral researchers took part in SCIENCE4ALL on September 25, 2026, as part of European Researchers' Night. Coordinated by İstinye University, SCIENCE4ALL brings researchers and the public together through science communication activities. At the NanoBio4Can stand, researchers met visitors of different ages through interactive activities and hands-on workshops inspired by their research fields. The activities gave visitors an opportunity to explore scientific ideas and speak directly with the researchers
